Milwaukee City Clerk  
200 East Wells Street  
Room 205  
Milwaukee, WI 53202

To Whom It May Concern:

I was involved in a minor car accident with a city worker on May 8, 2016 near 20<sup>th</sup> and Oklahoma. I submitted a claim to the city for damages to my car totaling \$760.60. The city worker who hit me from behind said he was at fault and when another city worker arrived at the scene, he also agreed the city worker was at fault.

Somehow communication changed from the city worker who said he was at fault to the contents of the denial of claims letter I received in the mail postmarked July 27, 2016. I am writing this letter to appeal the decision of the City Attorney Mr. Langley. I am requesting a hearing to present my case and prove I was not at fault.

Sincerely,

Alexandria Lange

On Monday May 8<sup>th</sup> 2016 I was exiting the Royal car wash on 20<sup>th</sup> and Oklahoma. In the middle of the intersection I was trying to turn left. I was hit by a Milwaukee city yellow pickup truck. The driver admitted to fault and apologized. We pulled over into a parking lot across the street (I believe it was a medical facility parking lot) to wait for another employee of the city to come and assess the situation. I was given a yellow form on directions for filing my claim. On this document it included the date of the incident which was 05/09/2016 as well as the city vehicle number (22/22).

I recently took my car to have estimates done. I will attach to this the estimates.

I would like to have the damages made to my vehicle paid for by the city of Milwaukee. This can be paid directly to the collision repair center (Goff's Auto Body) or to myself as reimbursement.

I hope that this is a smooth process and I appreciate you taking your time to review this, I would only like that my vehicle be restored to the condition it was prior to accident.

Best,

Alexandria Lange
