**Project/Program Title:** 2018-2019 HS-WEM ALERT EOD Grant

**Grantor Agency:** U.S. Department of Justice (DOJ) through State of Wisconsin, Department of Military Affairs (DMA)

**Grant Application Date:** 09/17/2018

**Anticipated Award Date:** 10/15/2018

**Please provide the following information:**

**1. Description of Grant Project/Program (Include Target Locations and Populations):**

The purpose of this funding is for the upgrade of the Milwaukee Police Department's (MPD) robot for the Bomb Unit in order to become a more effective response tool for high risk operations.

**2. Relationship to City-wide Strategic Goals and Departmental Objectives:**

Equipment is intended to support regional law enforcement efforts with ALERT, to prevent terrorism and other catastrophic events and to prepare for threats and hazards that pose the greatest risk to security.

**3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):**

All personnel who utilize equipment with funds from this grant must receive training either through the equipment vendor or other competent source specific to that piece of equipment before it is put into service. The sub-recipient is required to maintain proper training records. Emergency response capabilities developed using these grant funds must be made available to other emergency response agencies regionally, as may be required for incident response purposes. Equipment shall be maintained and available to use as intended by the grant for the duration of its useful life. Agencies that accept funding are responsible for all sustainment costs.

**4. Results Measurement/Progress Report (Applies only to Programs):**

Final progress report must be submitted into the Egrants system by August 31, 2019.  
Final financial report must be submitted to Wisconsin Emergency Management (WEM) by August 31, 2019.  
Final inventory report must be submitted into the Egrants system by August 31, 2019.
