

BUILDING MAINTENANCE SUPERVISOR-MPD

Recruitment # 2503-4426-001

List Type	Original
Requesting Department	Milwaukee Police Department
Open Date	Friday 4/4/25
Filing Deadline	Friday 4/25/25
HR Analyst	Jamie Heberer and Rebecca Bird

INTRODUCTION

The City of Milwaukee is proud to employ a diverse workforce committed to providing exemplary service to its residents. If you have a passion for being part of an inclusive team of public servants, please consider the following opportunity.

The Milwaukee Police Department (MPD) works closely with our community to help build sustainable healthy neighborhoods, free of crime and maintained by positive relationships. For more information about the MPD, please visit <https://city.milwaukee.gov/police>.

PURPOSE

The Building Maintenance Supervisor oversees the HVAC (Heating, Ventilation, and Air Conditioning) Technicians and custodial personnel during the first, second, and third shifts at multiple MPD facilities.

ESSENTIAL FUNCTIONS

Supervisory

- Plan, assign, and prioritize work schedules for routine, emergency, and preventive maintenance and repairs for the upkeep and operation of 13 police buildings, grounds, and equipment.
- Schedule, supervise, and instruct garage personnel, consisting of police officers and garage attendants.
- Oversee building maintenance, HVAC, custodial, and clerical staff.
- Inspect completed assignments and ensure the quality of work performed.
- Periodically inspect the physical condition and operating efficiency of mechanical equipment, systems and building infrastructure/grounds.

Contractor Coordination

- Coordinate outside contractor services, including electrical, carpentry, painting, and masonry.
- Obtain estimates from contractors for emergency and routine maintenance and monitor contracted projects from inception through completion.

Administrative

- Maintain inventory of all supplies and equipment used by Facilities Services, and all equipment being repaired or modified for use in any police facility.
- Operate the Building Energy Management System.
- Maintain personnel and time records.
- Assist in preparing budget or repair cost estimates.
- Prepare reports and budget requests and maintain records.

We welcome qualified individuals with disabilities who are interested in employment and will make reasonable accommodations during the hiring process in accordance with the Americans with Disabilities Act (ADA) of 1990, as amended by the Americans with Disabilities Act Amendments Act (ADAAA) of 2008.

CONDITIONS OF EMPLOYMENT

- Must be willing and able to work weekends, holidays, varying shifts, odd hours, and during emergencies to meet the maintenance needs of the MPD.
- Must be physically able to lift and carry 50 pounds unassisted and exert up to 100 pounds of force occasionally, climb vertical ladders, work on scaffolding, function while working in confined crawl spaces, and work in a range of adverse environmental conditions indoors and outdoors.
- The pre-employment medical requirements include:
 - Drug Test
 - Physical Exam with 50lb lift test
 - Audiogram
 - Vision Test
 - Hep B Vaccine
- **NOTE: Candidates must pass an MPD background investigation before hire. Per the Criminal Justice Information Services (CJIS) security policy, your application will be rejected if you have been convicted of a felony.**

MINIMUM REQUIREMENTS

1. Associate degree in HVAC, building maintenance, facilities management, technology management, mechanical engineering or a related field.
2. Five years of experience in facility maintenance and repair, including heating, ventilation, and air conditioning equipment, electrical and plumbing systems, automated building controls and custodial operations. **Experience must include one year of lead worker or supervisory experience in the repair and maintenance of facilities.**
3. Valid driver's license at the time of appointment and throughout employment.
4. A good driving record at the time of appointment and throughout employment.

*Equivalent combinations of education and experience may also be considered. **However, one year of lead work experience is required.***

NOTICE: Please do not attach your academic transcripts to your employment application. The hiring department will verify candidates' education as part of the background screening process before extending any job offers.

DESIRABLE QUALIFICATIONS

- EPA 608 Universal (Type I, II, III) Refrigeration Certification.

KNOWLEDGE, SKILLS, ABILITIES & OTHER CHARACTERISTICS

Technical

- Knowledge of building construction methods and equipment, preventive maintenance programs, and building repair techniques.
- Knowledge of HVAC and building management systems and a commitment to improving them.
- Knowledge of electricity and mechanics as applied to building maintenance.

SELECTION PROCESS

THE SELECTION PROCESS will be job related and will consist of one or more of the following: an evaluation of education, experience and/or responses to supplemental questions; a written or performance test, a structured interview, or other assessment methods. The Department of Employee Relations reserves the right to call only the most qualified candidates to structured interviews and performance examinations. Structured interviews may include written exercises. Selection process component weights will be determined by further analysis of the job.

INITIAL FILING DATE - The selection process will be held as soon as practical after the abovementioned deadline. Receipt of applications may be discontinued at any time after this date without prior notice. However, recruitment may continue until the needs of the City have been met. Qualified applicants will be notified of the selection process components' date, time, and place. Unless otherwise required by law, the City of Milwaukee will not provide alternative selection process dates or times. The applicant is responsible for attending all phases of the job selection process at the time and place designated by the City of Milwaukee.
