TO: Ald. Joe Davis

FROM: Martha Brown
Deputy Commissioner

DATE: January 10, 2005

SUBJECT: Update on Menomonee Valley Activity

I am writing to ask that Department of City Development staff have the opportunity to provide an update on the development of the Menomonee Valley West business park at the January meeting of the Community and Economic Development Committee of the Common Council. We've reached some significant milestones in this project, and are eager to share information about them with the Committee.
