Dear Attorney Eisenberg:

I received your letter of April 3, 2003 requesting that the Common Council ask Channel 12 who the camera person(s) were on the day of the July 1, 2002 filming at Ms. Wilkins' home. The City did try to obtain tapes for that day, but was not successful. The City, as the defendant in this case, leaves it up to you and your client to present any additional evidence that you feel supports your claim. The City's only remaining role is that of hearing your arguments at the Judiciary and Legislation Committee meeting of May 5th.

Sincerely,

Michael S. D'Amato
Chair, Judiciary and Legislation Committee
