Honorable Willie C. Wade
Alderman, 7th Aldermanic District
Room 205, City Hall

SUBJECT: 7th ALD. DIST. - FILE #120838
INSTALL STOP SIGNS ON
WEST MELVINA STREET AT
NORTH 46TH STREET

INSTALL STOP SIGN ON
WEST HOYT PLACE AT
WEST SPENCER PLACE

Dear Alderman Wade:

This is in response to your request on behalf of a local resident to install the above-captioned traffic controls.

Our traffic engineering staff has investigated this request and found that due to the geometric configuration of the intersection of West Melvina Street/West Hoyt Place/West Spencer Place and North 46th Street, the above-captioned traffic controls are warranted. We therefore, in the interest of public safety, recommend the installation of the stop controls.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Milele A. Coggs
Aldерwoman, 6th Aldermanic District
Room 205, City Hall

SUBJECT: 6th ALD. DIST. - FILE #120838
INSTALL YIELD SIGNS ON NORTH 6TH STREET
AT WEST ABERT PLACE

Dear Alderwoman Coggs:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the southeast corner of the intersection in the form of a building that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
