C.I. File No. 1029-2013-1706

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk and ask that it be introduced and referred to the Committee on Judiciary and Legislation with the following recommendation.

Claimant WE Energies alleges damage occurred to an underground main gas service on or about May 23, 2013 near South 1st Street and West Washington Street. WE Energies is claiming damages in the amount of \$7,430.51.

The Infrastructure Services Division confirmed an Electrical Services crew was performing work near 1st Street and West Washington Street. While performing the work, the crew hit and damaged an underground cable belonging to WE Energies.
