RE: Hmong American Friendship Association Job Placement Program

Dear Common Council Members:

Enclosed, please find the statistical data from our job placement program from its inception, i.e., 2004 to 2006.

Those figures are below:

Program year 2004

<p><u>Projected goal: 20 full-time job placement</u> Actual accomplishment: 69 full-time job placement Actual accomplishment: 1 part-time job placement</p>

Program year 2005

<p><u>Projected goal: 36 full-time job placement</u> Actual accomplishment: 75 full-time job placement Actual accomplishment: 11 part-time job placement</p>
--

Program year 2006

<p><u>Projected goal: 37 full-time job placement</u> Actual accomplishment: 63 full-time job placement Actual accomplishment: 3 part-time job placement</p>

As the information reveals, we have consistently not only met our contractual goals but exceeded them by 50% and more. As a direct result we are convinced that if we were awarded \$60,000 for the 2007 program year, we will again exceed our projected goals.

Thanking you in advance for your consideration of this request.

Sincerely,

Lo Neng Kiatoukaysy
Executive Director
