

Reply to Common Council File No. 080485  
From DOA-Budget and Management Division

September 10, 2008

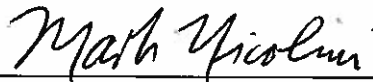

Ref: 09

File Number 080485 contains a resolution establishing the 2009 Local Snow and Ice Removal Charge. The Administration proposes a 2009 rate of 65.22 cents per foot. This is the same rate as proposed for the 2008 amended rate under File 050483.

This proposed rate is expected to generate approximately \$6.1 million of non- property tax revenue for the 2009 budget. This is consistent with expected 2009 proposed budget expenditure levels.

The impact on the owner of a property with 44 feet of frontage is estimated to be approximately \$28 per year.

**RECOMMENDATION: ADOPT A 2009 SNOW AND ICE REMOVAL CHARGE RATE OF 65.22 CENTS PER FOOT APPLICABLE TO RESIDENTIAL AND NON-RESIDENTIAL PROPERTY.**
