To the Honorable, the Common Council

Dear Council Members:

In 1942 and 1981, the City of Milwaukee was granted Sewer Easements SE-695, SE-696 and SE-2306, located in the block bounded by North 35th Street, North 36th Street, West Vliet Street and West McKinley Avenue.

These easements are being released because Milwaukee Habitat for Humanity wants to build over the easement. As there are no existing or planned sewer facilities in the said easements, the easements are no longer necessary to serve the interest of the City and should be released.

We have prepared the attached resolution authorizing and directing the proper City officers to execute Sewer Easement Releases SER-695, SER-696 and SER-2306.

We recommend adoption of the attached resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
