Subject: Request to create new Housing Outreach Director position

Dear Alderman Murphy:

The 2014 Adopted Budget included position authority in the Mayor's Office for one position of Interagency Housing Coordinator to manage the Mayor's Strong Neighborhoods Investment Plan (SNIP). Since the budget was adopted, the need for an additional position to compliment the position of Interagency Housing Coordinator became apparent.

We are requesting that the 2014 positions ordinance be amended to create the position of Housing Outreach Director (Pay Grade 1IX) in the Mayor's Office. This position will be funded partially through Community Development Block Grant (CDBG) as well as through reimbursable funding from other City departments.

I respectfully request your consideration of this amendment. Please contact Dennis Yaccarino at extension 8552 if you have any questions.

Sincerely,

Mark Nicolini
Budget and Management Director
