To whom it may concern:

My name is Joseph Mandiki. I work for Texas sprinkler (fire Sprinkler Company in Grapevine/Texas established since 1976) as accountant for 11 years.

Beside my full time work as accountant, I am working also as a volunteer with the mayor of city of Matadi (Democratic Republic of Congo) to establish a sister city relationships

Please note, the city of Matadi was founded by Henry Morton Stanley in 1879. The City of Matadi is the chief sea port of the Democratic Republic of Congo and the capital of Kongo central province. It has an estimate of 245,862 populations

I would like to get more information from you on how to establish a sister city relationships

I hope to hear from you soon and thank you in advance for your generosity

Sincerely

Joseph Mandiki
