Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. It was brought to my attention that a client under our supervision, Rodney Gibson, has applied for a RST license from the City of Milwaukee. Client Gibson is currently on an Extended Supervision term that is scheduled to discharge on 03/16/2028 for the offense of Possess w/Intent-Cocaine (>5-15g), Possess w/Intent-THC (<=200 grams), Felon Possess Firearm .

This letter is to inform you that such a licensure would not be in violation of their rules/conditions of supervision. If circumstances change, we will take measures appropriately, including action that may affect such licensure. We made this decision based in part, on the following information:

A - Residence Stability: Client has maintained residence stability **Yes**.

B - Reporting History: Client has maintained required contacts with agent **Yes**.

C - Police Contact: Client has had police contact while on supervision **Yes**.

D - Overall level of cooperation: has client complied with referrals and services designed to address criminogenic needs **Yes**.

**** **DCC recommends license not be granted due the following: (check one)**

- * License/employment has a direct nexus to committing offense. _
- * License/employment would have a negative impact on the client based on specific treatment needs. (HIPPA prohibits the disclosure of specific treatment needs)
- * Sex offenses.

In providing the information within this letter, the Department of Corrections assumes no liability for the Council's reliance on such information.

Sincerely,
