**Mr. James Owczarski, City Clerk**  
City Hall - Room 205  
Milwaukee, WI 53202

Dear Mr. Owczarski:

Please find enclosed a certified copy of a resolution adopted by the Commissioners of the Public Debt at their meeting of October 16, 2013. The resolution authorizes the sale of \$130,000,000 School Revenue Anticipation Notes, Series 2013 M7, (the "Notes"). These Notes are being issued for the purpose of financing the operations of Milwaukee Public Schools pending the receipt of State Aid payments in June, 2014.

The issuance of the Notes was authorized by the Common Council via Resolution File Number 130025 adopted on May 21, 2013 (the "Resolution"). The Resolution established Common Council debt issuance parameters which, if met, pre-approved certain actions of the Public Debt Commission to accept bids and similar aspects of the borrowing process. The Common Council debt issuance parameters were met within the competitive bidding process.

The Resolution also required that such debt issuance information be communicated to the City Clerk. This letter and certified copy of the Commission's resolution is intended to meet the latter part of that Common Council directive. If there are any questions, or if we may be of any additional assistance, please feel free to contact this office.

Sincerely,

**Martin Matson**  
Comptroller and Secretary  
Public Debt Commission
