File No. 041265 is a resolution executing a Basic Life Support Services Medical Control agreement with Milwaukee County.

Background

1. Currently, the County of Milwaukee (the “County”) requires that municipalities submit periodic advanced life support service reports.
2. The County wishes to gather information on basic life support medical services and transports throughout the county.

Discussion

1. The Milwaukee Fire Department was contacted by the County to develop a relationship whereby the MFD would report its basic life support services and transports to the County in return for medical oversight of BLS transports at no cost to the city.
2. This resolution approves a one-year Basic Life Support Medical Control agreement for the calendar year 2005 between the City of Milwaukee and County for the purpose of coordinating municipal activities related to medical control of basic life support services. The MOU terms include but are not limited to:
 - Term operates from January 1, 2005 to December 31, 2005
 - The County shall provide medical oversight to the city’s basic life support units
 - The City agrees to be responsible for insuring that its basic life support units meet operating criteria and standards as established by the County and State.

Fiscal Impact

There is no fiscal impact.
