LICENSED PREMISE REPORT

Wourms, Lacy 030937

10/07/2023

This report is written by PO Lacy WOURMS assigned to District 4, Late Shift, Squad 4360.

On Saturday October 7, 2023, at approximately 1:27am PO Andrew KELLER and I were on patrol in the 6400 block of N. 76th St., which is located in the City and County of Milwaukee, when we heard 5 gun shots coming from north of our location. We estimated the location to be approximately N. 76th St. and W. Good Hope Rd. We went to investigate this incident when dispatch received a call from a female who stated her vehicle had been shot into at the Domino's Pizza which is located at 7613 W. Good Hope Rd. She further stated the shooter was wearing a Domino's uniform.

ARRIVAL ON SCENE:

Upon our arrival we made contact with a subject taking out trash at Domino's, Todd A. CLAYTON, M/B 09 -18-1991 who stated that he had heard shots fired and saw a gray sedan leave the area. CLAYTON was wearing a black sweatshirt with a gray Domino's t-shirt over it and black pants. When we asked who was shooting, he stated that he did not know. As we continued our investigation, we were approached by Takeya L. WARRENS, F/B 06-30-1987 who stated that her daughter had called and stated that her vehicle was struck by gunfire from the employees at Domino's.

INTERVIEW WITH VICTIMS/WITNESSES:

WARRENS' daughter, Tashawna L. BALDWIN, F/B 04-14-2006 did arrive back at the scene after a short time and stated that she had an argument with staff at this location because the delivery driver who brought her pizza also threw a rock through the window and broke it after she refused to pay for the food. BALDWIN stated that she got into her car, (Silver 4Door 2019 Chevy Malibu WI Auto ATX-1137) which was driven by her friend, Jazmarie A. WHITE, F/B 11-18-2003 and also occupied in the rear passenger seat by her other friend, Shaniah S. DOLTON, F/B 05-25-2006. BALDWIN stated that the three of them went to the Domino's Pizza to confront the delivery driver regarding the broken window. She

stated there was a heated exchange of words and denials by the general manager and the driver but no resolution. BALDWIN stated that she was yelling at the driver when she started hearing gunshots. DOLTON stated that she saw the driver produce a black handgun and start firing at their vehicle. She stated that they then fled the scene and called police. BALDWIN stated that she did not see the subject shoot but that she heard the shots and told WHITE to drive away. WHITE stated that she drove when she started hearing gunshots.

During our investigation the General Manager of the store returned to the scene. When asked for his identifying information he was uncooperative and asked why he needed to give that information. We explained that other employees identified him as being on scene during an incident where shots were fired into an occupied vehicle and asked why he was refusing to assist us in our investigation. He stated that he did not see anything, even though he was standing approximately 10 feet from the subject shooting while shots were being fired and stated that he never saw who was shooting. He did identify himself as Donnell D. RASH, M/B 03-03-1996 and when asked if we could view the video footage, he stated that he's only been working at the location for two months and does not have access to view the cameras. It was clear that RASH was not cooperating with our investigation and that he did not want police at the store.

During our investigation we observed several employees coming and going from the location and when asked none of them stated they saw or heard anything. They stated that they females came to the store and were disruptive but none of them saw anyone shooting.

SUSPECT IDENTIFICATION:

While we were attempting to speak to the victims, CLAYTON came out of the store, where he had been for some time, and all three of the victims began yelling, "That's him!" making statements that CLAYTON was the person who shot at their car. CLAYTON walked back into the store where we followed, and we detained him at that time. CLAYTON denied any involvement in the incident and did grant us permission to search his vehicle. No gun was located inside the vehicle.

EVIDENCE COLLECTION:

We did observe cameras inside the Domino's store and outside on the building. RASH refused to allow us access to the cameras inside the store, so we went to 7605 W. Good Hope Rd., which is the Andy's Gas Station. We spoke to the clerk who allowed us access to the video footage from the exterior of the building. We observed the victim's vehicle driving in the parking lot and stop by the side employee door where CLAYTON, wearing a black hooded sweatshirt and gray t-shirt over it and black pants exit the employee door with other employees of the business. He proceeds to raise his right arm up toward the direction of the vehicle and you can see him holding a dark colored object. The car begins to drive away, and you can see flashes come from the raised hand indicating shots being fired at the sedan. CLAYTON and other employees then walk to the area the shots were fired from and begin looking at the ground with the flashlights from their phones. CLAYTON then begins to pick up items from the ground, we believe he was picking up the casings that were ejected from the firearm. We did not locate the casings after an extensive search. CLAYTON was taken into custody with two live rounds from a handgun in the pockets of his pants.

We processed BALDWIN's vehicle, which had four bullet strikes to it. The first was near the front driver's side quarter panel and entered near the engine compartment. The second was into the driver's door at an angle which entered into the passenger compartment and struck just below the steering wheel. The third struck the driver's side near the B frame. The fourth entered into the rear taillight on the driver's side. We recovered bullet fragments from the driver's floorboard and behind the dash under the steering column. Additionally, we recovered a bullet fragment from the taillight. These items were placed on MPD inventory: 23032277.

The signed consent form was also placed on MPD inventory: 23032276.

Sgt. Charles CARABELLI responded to this scene and took 78 photos of the vehicle, scene, and suspect clothing.

Forensic Investigator Clayton AMBORN also responded to the scene and recorded a video of the security footage and that was uploaded to evidence.com.

FOLLOW UP:

PO KELLER notified the regional manager of Domino's regarding this incident. The firearm was taken back into the building after the shots were fired and then RASH is seen leaving the building moments later appearing to be holding something and leaves in his vehicle before later returning. We have not been able to view the footage from inside the store.

Additionally, follow up will have to be conducted regarding the employees at Domino's and their roles regarding the evidence destruction that occurred. Not all employees were identified during our initial investigation.

CLAYTON was arrested on scene and conveyed to District 4 for booking and processing.

END OF REPORT.

Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at <http://city.milwaukee.gov/citychannel>. Those wishing to provide oral testimony via phone or internet are asked to contact the staff assistant, Yadira Melendez at (414) 286-2775 or stasst5@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
