RE: C.I. File No. 1029-2016-2048
Communication from JUANITA GUARDIOLA

Dear Ms. Guardiola:

We have received your claim for the amount of \$583.64 in relation to the vehicle damage you sustained on July 7, 2015 on North 2nd Street between West Michigan Avenue and West Wisconsin Avenue.

The Infrastructure Services Division reports long line painters were out painting on 2nd Street from West Wisconsin Avenue to West St. Paul Avenue on July 15, 2015. The truck following the paint truck had a sign indicating all vehicles should stay back 300 feet. The paint truck had signs on the front and back, and the following truck had a sign placed on the back of the truck. Both trucks were also operating with flashing yellow lights at the time they were painting the lines in the streets.

The damage to your vehicle was not the result of any negligence of the City of Milwaukee and therefore the City is not legally liable for your damage. Accordingly, we are denying your claim.
