

April 6, 2010

To the Honorable, the Common Council

Subject: Street Lighting and Traffic Signal Improvements
West National Avenue Streetscape Enhancement
2010 Transportation Enhancement Program

Dear Honorable Members:

The 2010 Transportation Enhancement Program includes the installation of street lighting and traffic signal improvements in conjunction with the National Avenue Streetscape Enhancement in the 8th Aldermanic District.

The total estimated cost of the project is \$109,877.18 with \$80,000 funded by the Wisconsin Department of Transportation (WISDOT). The local share of \$29,877.18 will be provided through the Division's existing Capital Improvement Program.

We have, therefore, prepared the attached resolution, which authorizes the Commissioner of Public Works to execute a Local Forces Account (LFA) – Local contract with WISDOT that allows City forces to install street lighting and traffic signal improvements in conjunction with the West National Avenue Streetscape Enhancement in the 8th Aldermanic District.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
