<p>A WIRELESS REMOTE MONITORING SYSTEM (#8) WAS PLACED IN THIS ROOM TO MONITOR THE RELATIVE HUMIDITY AND TEMPATURE TO ACCURATELY DEPICT THE EXACT NUMBER OF DAYS THAT THE DRYING EQUIPMENT WAS NEEDED TO PROPERLY DRY. The placement of the drying equipment is calculated by the number of dehumidifiers or air movers multiplied by the number of days that the equipment is on site. The actual amount of drying equipment placed is calculated using the formulas published by the IICRC using the S500 standard industry guidelines . EXAMPLE 2*3 is (2 units) of drying equipment multiplied by 3 (the number of days that the equipment is invoiced for)</p>

Hi Jeff.

I would value the Pope and Allred pages at \$400.00 each and the Usagi drawing at \$200.00, maybe \$250.00. I'm afraid I don't know what to tell you on the Akira cel.

Best,

Tom.

Hi.

There are 2 pages. A Paul Pope - Ballad of Dr. Richardson page and a MikeAllred - Shade the Changing Man page. There also is a nice large originalink drawing of Usagi Yojimbo by Stan Sakai. Lastly there is an Akiracell, which I'm not sure if is in your realm of expertise.

I have digital photos of each. The originals are in the garbage. Any sort of estimate would be very helpful to me, since I have no receipts for what I paid for them.

Thank you for your help,
Jeff

Hello.

I recently had a sewage backup in my basement. Among the damages were a few original art pages. My local comic book store recommended you as being able to give me an estimate for these lost pages. If this is something you are able and willing to do could you please let me know.

Thank you for your time either way.
