**Mariano A. Schifalacqua**  
Commissioner of Public Works

**James P. Purko**  
Deputy Commissioner of Public Works

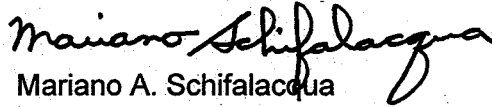

To the Honorable  
the Common Council  
City Hall, Room 205

Dear Honorable Members:

Attached is a substitute resolution which when adopted will authorize and direct the Department of Public Works to apply for and accept a grant from the Federal Emergency Management Agency (FEMA). This FEMA grant would provide emergency assistance to the City of Milwaukee relating to the record snowfall in December, 2000. This resolution also authorizes the Department of Public Works to administer this emergency assistance program and expend the grant funds on various projects relating to the December, 2000 record snowfall. Accepting this grant would be in the best interests of the City of Milwaukee.

A title only resolution (File Number 001500) was introduced at the Common Council meeting of February 6, 2001. If you have any questions concerning this file, please contact Tom Rowe of my staff at extension 3303.

Very truly yours,

  
Mariano A. Schifalacqua  
Commissioner of Public Works
