Re: Rooming House License
Tavern License
736/8 South Third Street

Dear City Clerk:

I object to any licensed dwelling facilities (rooming house) or tavern license for 736/8 S. Third Street, Milwaukee, WI. My objections include but are not limited to:

Location - This location is inappropriate for a licensed dwelling facility because it is across the street from the Bradley School of Technology (formerly Milwaukee Tech).

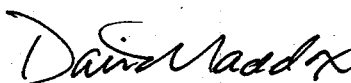

Density - There are over 20 rooming houses within less than one square mile of this property and over 10 rooming houses within a three-block radius of this site. There are also numerous taverns within a three block area.

Undesirable Neighborhood Problems - This particular property is site of scores of previous problems, including, prostitution, drug sales, fights, public intoxication and loud and raucous behavior all having a significant adverse impact on the public health and safety of the neighborhood.

This facility was a rooming house but the license was not renewed because of repeated, credible problems with this facility.

I respectfully request notice of any application for dwelling facility (rooming house) or a tavern.

Sincerely,

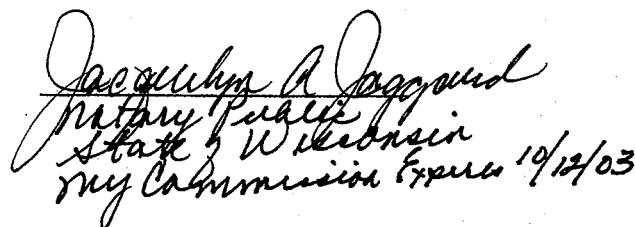

Dain Maddox
