SUBJECT: 5TH ALD. DIST. - FILE #230400  
INSTALL STOP SIGNS ON NORTH 83RD STEEET AT  
WEST LOCUST STREET

Dear Alderman Westmoreland:

This is in response to a request from a local resident to install the above-captioned traffic control. Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the southwest corner of the intersection in the form of a bush that reduces the safe approach speed and thereby warrants the above-captioned traffic control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation that will be heard at the next Public Safety and Health Committee meeting.

Sincerely,

Kevin J. Muhs, PE, AICP
