To whom it may concern;

I have received your letter denying my original claim, based on this Wisconsin act 132.  
However I think that is unfair, and I wish to appeal your decision and request a hearing.  
Enclosed is a copy of original letter.

Regards,

Jason D. Spencer

Re: Claim for hitting pot hole on Friday, February 21, 2014

To whom it may concern;

I am submitting this communication, for damage I suffered to my vehicle ( 2010 Camry).  
My name is Jason D. Spencer, and I reside at 3878 North 16<sup>th</sup> Street, Milwaukee, WI 53206.  
I can be reached at 414.241.8042 or [jdscom.js@gmail.com](mailto:jdscom.js@gmail.com).

On the evening of Friday, February 21, 2014 at about 7:00pm, while traveling to take a visiting to friend to dinner, I was traveling up Fond Du Lac Avenue going northwest approximate address (6300 W. Fond du lac Avenue) in Milwaukee, WI., when in the far left lane I hit a rather deep pothole which could not been seen because of it being dark out. I notice that my cars was driving a little rougher than normal. At first I ignored it, because I thought I was being paranoid, but I knew it wasn't driving the same. The following week I was on the freeway and notice that when I turned to the left the vibration was more intense. It was then I decided to take my car in to the shop to be analyzed. It was their determination that my left front rim was bent, from hitting that pot hole.

I have enclosed my receipt for replacing the rim and alignment work that had to be done on my car to restore back to its previous state. I am seeking reimbursement for damages caused in the amount of \$288.29.

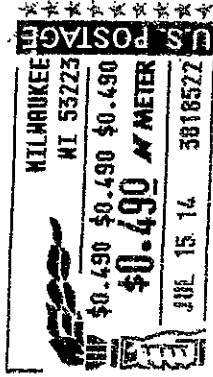

If you should require any further information, please feel free to contact me at the number or email above. Thank you in advance for your time.
