Hi Chris,

I believe the Fleet Acquisition Manager would be under the section that doesn't have a section header (where the Fleet Services Manager resides, if I'm correct).

And I believe the Fleet Training Supervisor is from under the 'Operations Dispatch' section.

Andrea – would this correct?

Another question for this report from last cycle.

In the Positions Ordinance

Under Department of Public Works – Operations Division – Fleet Services Section:

Add one position 'Fleet Acquisition Manager (X) (Y)' **which subsection to list this under?**

Delete one position of Fleet Training Supervisor' **which subsection to delete this position? There are two subsections with this position listed.**
