Dear Pandora Bender,

This letter is in regard to the rooming house permit request for 902 S. 3<sup>rd</sup> street. My name is Shari Flaherty and I have lived in my Walkers Point home for seven years. I am against the granting of this permit for several reasons.

- I have had serious concerns for my health and safety which have been created by Susanna Crumble and her parents Mr. and Mrs. Ristic and some of their tenants/employees at the 834 s. 3<sup>rd</sup> street rooming house.
- I have been accosted by Susanna Ristic Crumble twice in the past and Don Edwards who continues to accompany Susanna Crumble to the 902 S. 3<sup>rd</sup> street house.
  1. On August 8, 1999. This was the morning after the shooting at Susanna Crumbles parents rooming house at 834 S. 3<sup>rd</sup> St. She came to my door with an intimidating attitude, false accusations, distorted truths.
  2. On April 6, 2001 the morning after the Board of Zoning Appeals denied the 834 rooming house permit. Susanna Crumble along with Don Edwards and another man approached my car as I was getting ready to pull out. Susanna was waving a crow bar and hollering. Later Susanna Crumble and Don Edwards (testified that he managed and lived at the 834 rooming house) stood on the corner at the 902 house which is one house away from mine. Don Edwards was jumping up and down hollering out at me " You fucking bitch.....this is my neighborhood and I can do anything I want" Shortly after Susanna Crumble yelled out several false accusations including "Her name is Shari Flaherty and she says she buys her drugs from the blue house." Concerned for my health and safety I called the police and reported this incident. Two police officers came to talk to Susanna Crumble and myself. The officer who after I told him what happen went to talk to Don Edwards. Don Edwards who was still standing on the corner ran away from the officer.
- March 14, 2002 At approximately 9pm a man was standing outside of the 902 house throwing stones and hollering up to the window.
