ADDITIONAL COMMENTS/RECOMMENDATIONS:

This is a flat lot located between buildings and with entry points to the city street and alley way. Monthly and transient daily parking is offered at this location. I was not able to verify the two cameras at this location were in working order due to being locked up in the attendant's booth. The agent stated that there are plans to add new cameras that have WIFI capability. Security is onsite during events and on Fridays and Saturday nights until 2 or 3AM, crowds determining the time.

A parking auditor and facilities maintenance person conduct checks at the lot daily.

I gave the agent self-stick police contact cards that he places on the pay station for public view.

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 7/16/2019 at 1:45 PM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This building is a walkup hamburger and Ice-cream shop adjacent the Milwaukee Lake Front east parking lot, and patrolled by the Milwaukee county Sheriff's office.

The licensee is planning on serving Beer, wine, and premade alcoholic drinks.

There are three interior cameras and three exterior, which the licensee plans to add additional exterior cameras in two weeks. I advised that a camera be added to monitor the ATM on the

eastside of the building. For safety reason I also advised that the side exterior door or screen be kept locked and to bolt down a small metal safe in the office.
