Hello Mayor Barrett,

I'm contacting you in support of the People's Flag of Milwaukee.

Please encourage the Common Council to vote for the adoption of the People's Flag as the official city flag. I moved here from Chicago, where the symbol of the flag is so prominent and accepted around the entire city. I believe that the People's Flag of Milwaukee has done just that over the last few years and it would be a shame to not only take it away but also start the whole process over.

Thank you,
Jenny Johnson
