The meeting paused at 12:27 pm

The meeting reconvened at 12:36 pm

The applicant was present along with Atty. Maistelman and Yadira Melendez as interpreter.

The police report was read.

Atty. Maistelman said that they have no questions on the police report.

There were no neighbors present to testify.

Atty. Maistelman said that his client is requesting to withdraw his applications.

The applicant requested to maintain the provisional until it expires.

Individuals also present:

Ald. Perez objected to the request to keep the provisional.

MPD is not providing any further testimony based upon the withdrawal of the applicant per Atty. Helsel.

Atty. Gresham said that withdrawing voluntarily removes the necessity for a hearing.

Atty. Gresham asked Ms. Lopez whether or not a provisional is tight to an active license or ongoing application.

Ms. Lopez said that the requirement for a provisional is to have a renewal license application on file, that a provisional license is an extension of the current one and that it is tight to a renewal.

Atty. Maistelman said that he agrees with what Ms. Lopez explained.

Atty. Gresham said that this is a technicality that he rather have it resolved at the table.

Atty. Maistelman said that his client wants to withdraw the renewal application and to remain open until the provisional licenses expires.

Ms. Lopez said that the applicant can operate until the active license expires on July 30, 2025.

The applicant expressed that he is trying to sell the building and that likely will not happen with an expired license.

Atty. Gresham said that if the applicant is unwilling to surrender the provisional license he might get a closing order the same day.

Ald. Perez asked what a valid license would do for the sale.

The applicant said that the property value includes the license which is \$260,000 and with the provisional is extending the purchase period.

Atty. Gresham said that there is no persisting value for having a license and that new owner would have to apply for its own licenses.

Ald. Chambers explained the applicant that the current license will expire on July 30, 2025 and that the provisional license has no bearing or anything to do with a license and that it will be a simple building transaction between the seller and the buyer with no license property rights.

Atty. Maistelman said that they withdrew the application and that it should be the end of the hearing.

Atty. Helsel agreed with Atty. Maistelman.

The application withdrawal was accepted. There were no objections. (Prevailed 4-0)
