Bob,

Pursuant to phone conversation last week, just a quick note letting you know that Holton Bros had been hired by Catholic Financial Life over the past 10+ years to complete annual maintenance on the top side of east concrete sidewalk/parking area.

Our maintenance included routing of stress cracks and caulking of control joints within the concrete to help maintain the integrity of the sidewalk/parking area and prevent from deterioration.

Feel free to contact me with any questions you have.

Regards,
Tom
