In Regards to 1979 FORD truck which was towed to the city tow station. The damages in which Mr Newman is filing a claim for are AS follows

*Water Pump Seats were blown out due to the city tow station employee whom was driving the U-Haul reckless while driving out from the tow yard to return U-haul to Mr. Newman in damage condition. Mr. Newman is not claiming any other damages outside of the U-Haul truck as mentioned in the denial claim letter. Mr. Newman wants to be paid for the water pump expenses. For the vehicle I.d. # it is legal and the vent number is inside of the 1979 Ford truck door which has nothing to do with the damages →

Please consider his claim for
the damages in the amount of
\$548.00

SEE Receipt attachment
for Repairs

Thank you

Mr. Newman
