Re: C.I. File No. 1030-2017-298  
 Our Client: Willie Lampkin

Dear Mr. Langley and Mr. Carini:

I am in receipt of your denial letter dated March 1, 2017. I strongly disagree with your position on this case and wish to appeal the decision. Your insured abruptly moved from the far right lane to begin executing a U-turn. In the process, they swerved in front of my client who was traveling northbound in the far left lane. Your insured is primarily at fault for this accident for inattentive driving, failure to yield the right of way, failure to properly control and manage his vehicle, and failure to maintain a proper lookout, among other negligent acts and omissions.

Please take a second look at this case and contact me regarding a hearing date for this appeal.  
 Thank you for your consideration.

Very truly yours,

  
 Michael S. Sperling
