Hi Jim. Happy 2024. I think this is going to be revised. The Commissioner of DNS identified some problems with language (some redundancy was one issue). That being said it is my opinion that the proposed ordinance is legal and enforceable as written. Could you pass along the expected substitute when it is in good shape. Thanks.

Good Afternoon,

The attached ordinance, recommended today by the Public Works Committee, is submitted to your office for review as to legality and enforceability.

Questions, &c., of me, please let me know.

Thanks,

Jim
