Honorable chair and commissioners,

The Milwaukee Preservation Alliance supports File 201338, the listing of the *Transfer* Shipwreck on the National Register of Historic Places. As one of only three known and two remaining converted self-unloading barges in Wisconsin waters, the *Transfer* shipwreck is uniquely able to yield important information about the self-unloading barge operations which played an important part in Great Lakes maritime history. Based on this potential, we concur with the staff recommendation supporting listing under Criterion D. Thank you for your service to the people of Milwaukee.

Respectfully,

Jeremy T. Ebersole (he/him/his)
