Mayville, WI 53050

Dear Mr. Vanderloop:

We are in receipt of your complaint regarding Bar 107 located at 8775 N 107th Street in the City of Milwaukee. For the reasons below, the City of Milwaukee cannot process your revocation complaint at this time, and no hearing will be scheduled.

First, the City of Milwaukee does not accept revocation complaints by business entities, community organizations, or neighborhood associations (regardless as to whether said organization is incorporated). This type of complaint must be initiated by an adult resident of the City of Milwaukee. Said complaint may be initiated by an employee or agent of a neighboring business. This is, in part, to prevent abusive practices by rival businesses, and in part because the complainant will be expected to present evidence at the revocation hearing.

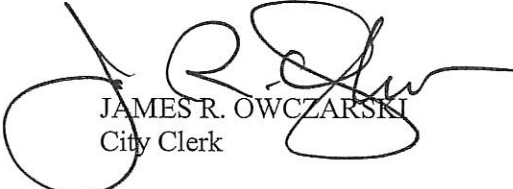

Second, this revocation complaint was not dated. The City of Milwaukee does not accept complaints in revocation actions that contain technical defects.

Should you wish to initiate a revocation complaint against Bar 107, please remedy these defects and resubmit your complaint.

Finally, please note that should you resubmit this request for a revocation action; the City of Milwaukee will schedule a hearing before the Licenses Committee. You will be apprised of that date and time. The City of Milwaukee will not litigate this action on your behalf. This is a quasi-judicial hearing. The complainant must appear either in person or by counsel, the complainant must subpoena witnesses, and the complainant must present evidence. Failure to do so will likely result in a denial of this revocation action for want of prosecution.

Should you wish to lodge neighborhood objections that may be heard at the renewal hearing for Bar 107, without formal issuance of a revocation action, please contact the License Division for more information. The License Division can be reached at (414)286-2238, 200 E Wells Street, Rm 105, Milwaukee, WI 53202.

Respectfully,

JAMES R. OWCZARSKI
