Subject: Wal-Mart Do not want it in my neighborhood!!!!!!

My name is Anna Lohman and I live in the neighborhood (74th and Main St.) where Wal-Mart wants to build. The residents of this neighborhood have already opposed this project a few years back. We did not want it then, and we do not want it build now. Traffic congestion is already bad during State Fair, plus the numerous events the Fair grounds hold through-out the year. Not to mention the noise and GARBAGE left on our front lawns, and not able to enter Main St. from the ally. I, along with the rest of the neighbor's DO NOT WANT WAL-MART BUILT IN OUR NEIRGHBORHOOD, PERIOD.....

Wal-Mart wrote on it's webpage this project will create jobs, but what about the jobs people have at the supermarkets already in the area. Is that a fair trade off to them??? Cutting their hours, I do not think so . How many times do the people of this neighborhood have to tell Wal-Mart NO!!!!!!!!!!!!!!!!!!!!!! PLEASE, do not approve of this project.

Sincerely

Mrs. Anna Lohman
