4TH ALD. DIST. – FILE #011542
REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN
THE 4TH ALDERMANIC DISTRICT

Dear Alderman Henningsen:

As part of our ongoing effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinance be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North 9th Street from West Highland Avenue to West Juneau Avenue – No Parking
2. North 12th Street from West Wells Street to West Wisconsin Avenue – Two Hour Parking
3. North 19th Street from West Wisconsin Avenue to West Wells Street – No Parking

Very truly yours,

Jeffrey S. Polenske, P.E.

11TH ALD. DIST. – FILE #011542
INSTALL NO STOPPING ON THE
EAST SIDE OF SOUTH 66TH STREET
FROM WEST KINNICKINNIC RIVER PARKWAY TO
A POINT 80' NORTH

Dear Chairperson:

This is in response to a request we received from Ms. Jackie Scudder, Principal Fairview School to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that currently parents are using this area as a drop-off and pickup area and blocking the crosswalk. The installation of this restriction will keep this area clear. We, therefore, in the interest of public safety, recommend the installation of this parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
