Subject: IN SUPPORT OF FILE NUMBER 220401

Good Afternoon,

I am writing to support file Number 220401 (Hackett apartment & parish hall). I feel that the apartment fits within the style and scale of the Downer Avenue district & that the development would be a plus to the neighborhood. As a resident of Milwaukee I believe the city should be approving zoning changes such as these to continue to grow the city as a whole and continue to add density to support our local businesses in corridors like Downer Avenue. I am concerned that denying the zoning change will make developing many of the empty infill lots throughout the city more challenging.

Thank You,

Justin Hageman
