Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

Attention: Faviola

Hi,

This is a follow up to our conversation earlier today. My name is _____ and I had began the process to receive a restaurant license and liquor license for Mykonos Restaurant located at 8501 W. Capitol Dr. Milwaukee, Wi 53222. Please note that I am no longer acquiring the property and thus, have no connection to it.

The owner of the property is Louie (Ilias) Demols (702) 265.1323.

The previous person (Gus), who was renting the location, no longer is operating the business as of February 1, 2019 (lease ended).

The current people running the restaurant (Jim and George) purchased the equipment and seating from Gus and are running the restaurant s of February 1, 2019, using Gus's **restaurant license and liquor license**. I understand that this is illegal and I am in no way associated with any of the parties. Please let me know if I have to notify any other department to remove my association with the property.

Thank you.

Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. Wednesday, April 03, 2019 at 9:30 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 4/3/2019 at 9:30 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.

INITIAL INVESTIGATION

Rueda, Denise A 013466

10/08/2018

This report is written by P.O. Denise Rueda assigned to the License Investigation Unit. On Saturday, October 6, 2018, I was assigned to work the Wisconsin WINS Youth Tobacco Initiative, checking area vendors for age compliance tobacco purchases. Assisting in this assignment was Maya L RANDOLPH (B/F, 04/17/2001 of 1329A N 43rd Street). RANDOLPH is 17 years of age which is not of legal age to purchase tobacco.

At approximately 10:20am, RANDOLPH entered J & M Petroleum 8334 W Appleton Avenue and purchased 1-2pk of Grape Swisher Sweet cigars. RANDOLPH stated the cashier described as a black female with a bald head wearing a purple shirt did ask for her ID and after looking at it sold the tobacco to her anyway. I entered the store and immediately identified the cashier based on the description given. The cashier identified herself as Edith ANYADUBALU (B/F, 08/06/80). ANYADUBALU did admit to selling RANDOLPH the grape Swisher Sweet Cigars and acknowledged that she made a mistake calculating the date of birth.

The Agent Saeed SHEIKH who was on scene was advised that I would be sending out a letter to enroll in the M.A.R.T.S. Program.

Regarding: Your Extended Hours Establishments License Application closing at 2 a.m. from Sunday through Saturday as agent for "Brew City Pizza Inc" for "Domino's" at 5430 N LOVERS LANE Rd.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans; or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.
