Honorable Robert W. Puente  
Alderman, 9th Aldermanic District  
Room 205, City Hall

SUBJECT: 9th ALD. DIST. - FILE #130213  
INSTALL YIELD SIGNS ON NORTH 80th STREET  
AT WEST BEECHWOOD AVENUE

Dear Alderman Puente:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northwest and southwest corners of the intersection in the form of hills that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Room 205, City Hall

SUBJECT: 8th ALD. DIST. - FILE #130213  
INSTALL SOUTHBOUND STOP SIGN ON  
SOUTH 34th STREET AT WEST ARTHUR AVENUE

Dear Alderman Donovan:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and northwest corners of the intersection in the form of bushes, hills and houses that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
