Chris – You are correct! The intent of this communication letter is as follows:

“Under “Health Department, **Nurse Family Partnership Program**”, delete one position of “Public Health Nurse **3** (X)(G)(J)” and add two positions of “Public Health Nurse **3** (0.5 FTE)(X)(G)(J)”.

Let us know if you have any questions or concerns.

Subject: Position Ordinance Change for Public Health Nurse

To all,

This was passed @ CC 7/9 meeting. I am now looking into the actual Position Ordinance in preparation to make changes; however, I believe the letter is incorrect with reference to the section and position.

Was this the intent instead?:

Under “Health Department, **Nurse Family Partnership Program**”, delete one position of “Public Health Nurse **3** (X)(G)(J)” and add two positions of “Public Health Nurse **3** (0.5 FTE)(X)(G)(J)”.

Am also attaching most current Position Ordinance for your reference.

Please advise.

Sincerely,

Chris Lee
