RE: "Title Only" Grant
Resolution

Dear Mr. Zielinski:

This is to provide you with background information on the grant resolution that the Health Department would like to be introduced:

Operation Lead Elimination Action Program Grant - This is new funding provided by the U.S. Department of Housing and Urban Development through the NIDC. The purpose of the funding is to leverage private sector resources to eliminate lead poisoning as a major public health threat to young children. The funding will create new positions and amend the Positions Ordinance.

As always, thank you for your consideration of this "title only" resolution. The file will be filled as soon as possible.

Sincerely,

Janet Nell
Administrative Specialist-Sr.
