Re: Certificate of Appropriateness for the construction of a rear kitchen addition at
2415 E. Wyoming Place in the North Point South Historic District for
Abalo Nunyakpe

Dear Sir:

We enthusiastically support Abalo Nunyakpe's plan to add a kitchen to the rear of his home. We applaud Dr. Nunyakpe for investing in his home and in our neighborhood. These fine old houses often need an addition or an adjustment to make them work for us in our modern world. If we can be respectful of the historic qualities that attracted us to this neighborhood, while improving our homes with modern conveniences, we all win!

Thank you for your attention.

Sincerely,

Dr. Peter Slocum & Wendy Burke Slocum
