To the Honorable, the Common Council

Subject: Resolution to authorize the naming of Art Museum  
Drive as a private road

Dear Council Members:

Santiago Calatrava has been commissioned to develop an architecturally sophisticated pavillion with a crowning brise soleil, being a translucent wing like structure as part of the art museum expansion. To provide access to this area, the Department of Public Works constructed a roadway which extends approximately 100 feet east from North Lincoln Memorial Drive then southeasterly approximately 500 feet to connect with East Michigan Street. The naming of this private roadway is permitted by Chapter 113-1 of the Milwaukee Code of Ordinances.

We have prepared, and recommended for adoption, the attached resolution which will name this private roadway Art Museum Drive.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Mariano A. Schifalacqua  
Commissioner of Public Works
