Mr. Jim Owczarski
Council Administration Manager
Common Council
City Hall – Room 205

Dear Mr. Owczarski:

Please introduce a “Title Only” Common Council Resolution file at the next Common Council meeting. The title only resolution should be as follows:

“Resolution relative to federal stimulus funding of projects for the Milwaukee Water Works”.

At this time, we are unsure if Milwaukee Water Works will be eligible for stimulus funding, but we are submitting the “Title Only” in order to be positioned to accept available funding. We will let you know when we are ready to have this item scheduled.

Thank you for your cooperation in this matter.

Very truly yours,

Carrie M. Lewis, Superintendent
Milwaukee Water Works

Jeffrey J. Mantes, Commissioner
Department of Public Works
