To: Grant F. Langley, City Attorney

This letter is in appeal of your decision regarding my claim requesting reimbursement for damage done to my truck by a city tree. My C.I. File No: 05-S-289. In your response to my claim you state that the damage to my truck was done solely as a result of high winds and was not caused by any conduct by the City of Milwaukee. However I believe that if the forestry department came out on a regular basis to trim trees this branch would not have fallen on my truck.

I am asking that the city take this into consideration and reconsider my request for reimbursement.

You can reach me at 414-464-8900. If I am not home you can leave a message on my answering machine.

Sincerely,

Gregory J. Krawczyk

To: City Clerk

On Tuesday September 13th, 2005 during a storm, a tree limb fell from a city tree and damaged my truck. The limb caused 2 dents on the right side of my truck and tore the tonneau cover on the truck bed. This happened on the 4000 block of North 71st Street a little after 6:00 p.m.

A supervisor from the forestry department came out on September 20th, 2005 and assessed the damage.

I am asking that the city reimburse me for the cost of removing the 2 dents caused by the city tree and also reimburse me for the replacement tonneau cover that was torn by the tree limb. I am requesting a sum of \$215.51. The receipt for the dent removal and the receipt for the tonneau cover are enclosed.

You can reach me at 414-464-8900. If I am not home you can leave a message on my answering machine.

Sincerely,

Gregory J. Krawczyk
