SISTER CITIES SIGNING CEREMONY

I extend compliments from the Mayor of Tema, Hon. Yohane Amarh Ashitey and have the pleasure to reaffirm his commitment at ensuring the realisation of our Twinning as Sister Cities.

Mayor Ashitey holds the firm view that both Milwaukee and Tema have potentials that could promote cultural and commercial ties amongst its citizenry.

It is in pursuant to these aforementioned objectives and many others that he has directed me to indicate his willingness to visit Milwaukee in March 2024 for the signing ceremony.

He has further asked that I forward the underlisted names and particulars of members of his delegation and request that you send an official invitation to him and his delegation to enable him expeditiously pursue the acquisition of travel VISA for his planned trip.

We therefore count on your earliest response to our request.

Thank you.
