

Milwaukee Police Department

**Neighborhood
Task Force**

Neighborhood Task Force

- Objective:

Disrupt the criminal environment and provide a highly visible pro-active policing presence in neighborhoods with the greatest amount of crime and disorder

Neighborhood Task Force

- Use tangible crime data and analysis
- Deploy resources in neighborhood hotspots
- Focus on areas with highest potential for violent crime and disorder
- Fully integrate with District policing activities

Deployments

Inputs: Crime Data
Repeat Calls
Citizen/Community Perceptions

Priorities: Suppress violent crimes
Maintenance of order
Visible presence in public spaces
(Fear Reduction)

Assignments:
Multi-disciplinary teams
to hotspots

Deployments

Outcomes: Assess and monitor impacts through daily data analysis

Movement: Re-direct teams as soon as analysis and field experience shows impact has been achieved

Use of enhanced District resources to “hold” gains.
