**4TH ALDERMANIC DISTRICT**

Dear Alderman Henningsen:

As part of our on-going review of parking regulations in the City of Milwaukee, we have discovered that the ordinances for several parking restrictions are no longer needed. Since the signs have been removed, we recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North 3rd Street from West Clybourn Street to a point south – One Hour Parking
2. North 5th Street from West State Street to West Walnut Street - No Parking
3. North 6th Street from West Clybourn Street to West Kilbourn Avenue – No Parking

Very truly yours,

Jeffrey S. Polenske, P.E.

8TH ALD. DIST. - FILE #010616  
REMOVE NO PARKING 3:30 PM TO 5:30 PM  
ON THE NORTH SIDE OF  
WEST FOREST HOME AVENUE  
FROM SOUTH 26TH STREET TO  
WEST HAYES AVENUE

Dear Alderman Donovan:

This is in response to your request on behalf of Ms. Delores Schwam to remove the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that currently local residents cannot park on either side of West Forest Home Avenue during the afternoon rush hour period, because parking is permanently prohibited on the south side and is prohibited in the afternoon on the north side of the street. We, therefore, recommend the above-captioned parking restriction be removed.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

INSTALL NO PARKING 10:00 PM  
TO 2:00 AM ON THE NORTH SIDE OF  
WEST CUSTER AVENUE, FROM  
NORTH SHERMAN BOULEVARD TO  
NORTH 51ST STREET

Dear Alderman Richards:

This is in response to your request on behalf of Ms. Kim Marshall to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that the installation of this parking restriction will not only allow the local residents to park their vehicles overnight in front of their homes, but also discourage vehicles from being parked adjacent to McGovern Park when the park is closed.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

INSTALL NO PARKING ON THE  
NORTH SIDE OF WEST ARMOUR AVENUE,  
FROM A POINT 650' WEST OF SOUTH 6TH STREET  
TO A POINT 200' FURTHER WEST

Dear Alderman Pawlinski:

This is in response to a request we received from Mr. Matt Wolf to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that the installation of the No Parking restriction would allow easier turn maneuvers (especially large trucks) and provide two-way traffic flow. Since the area affected only abuts Mr. Wolf's property, we have no objection to installing the parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
