NORTH HUMBOLDT AVENUE TO
NORTH PULASKI STREET

Dear Alderman D'Amato:

This is in response to your request on behalf of Mr. James Mitchell to install the above-captioned parking restriction.

Our Traffic Engineering staff forwarded this request to the Sanitation Division to see if there would be a snow plowing concern if this restriction was installed. They investigated this request and concluded that there would be no problem. The necessary legislation will be prepared and subsequently heard at the January 30, 2003 Public Safety Committee meeting.

Very truly yours,

REMOVE PARKING METERS
NORTH SIDE OF EAST LOCUST STREET
FROM NORTH MARYLAND AVENUE TO
A POINT 80 FEET WEST

Dear Alderman D'Amato:

The parking meters at the above location were installed at the request of the business owner of East Side Gallery and Framing Shop Ltd. located at 2132 East Locust Street. The owners of the gallery have notified DPW-Parking Operations that they are relocating their store and will no longer need the parking meters to service their customers. Parking Operations has checked with other tenants in the area and they agree to the removal of the parking meters. We are, therefore, recommending the following changes be made:

The removal of:

“One-Hour Meter Parking, 8:00 AM to 6:00 PM except Sunday”

The installation of:

“Two-Hour Parking, 7:00 AM to 7:00 PM except Saturday, Sunday and by Permit”

If you have no objection to the above, the legislation will be prepared and subsequently heard at the next Public Safety Committee meeting so that you may support same to final passage.

REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN THE
7TH ALDERMANIC DISTRICT

Dear Alderman Gordon:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, not have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North 27th Street from West North Avenue to a point south – Two Hour Parking
2. North 30th Street from 2360 to a point north – No Parking
3. North 32nd Street from West Center Street to a point south – No Parking
