To whom this letter may concern - I Master Allison strongly feels that if the City of Milwaukee had been checking on trimming the trees on a regular basis the tree would not have had the chance to fall on my van. In conclusion I would like to appeal your decision. Due to the lack of care given to the trees the accident left me without away to get around. I would like to see if I can get something for my loss. The owners of 5625 n 38th st had called the city to trim the trees several times.

To whom it may concern on May 11th 2003
 at 3:00 or 4:00 p.m. a large tree fell on my truck
 in front of the property of 5625 N 38th St. My
 truck can not be fixed it is totaled out. I can
 not get an estimate on it because it is not
 drivable. The tree smashed the truck all the way
 down to the ground on the driver side bursting
 out all the windows. I had to call the city
 in order to remove the tree from my
 truck. If you would like you can send someone
 to view the truck at 4414 N 39th St Milwaukee WI 53209.
